

The Bay and Basin Community Nipper Club Inc. was established in 2016 by a group of dedicated volunteers who saw the need to provide the youth in our area with a program that empowered them with water safety knowledge and skills that last a life time.

Our mission is to bring the community together in a fun, healthy, participation and community focused program. We hope you and your child/ren enjoy the Bay and Basin Community Nippers Club Inc. experience. We look forward to seeing you on the Beach.

Parents/Careers/Nippers role

Parents and carers have an important role in the delivery and support of Nippers activities for their own and other children.

- Nippers are to line up at 9:45 ready to start at 10am. **Note: Nipper's rashies and caps will be distributed on the first Sunday session so please arrive early to collect cap and rashie!!**
- Nippers need to line up in front of their Age Group sign on the large grass area. All Age Groups must return to this area to be signed off at the end of nippers (**Your child cannot be signed-off on the beach**).
- Parents/carers are to **sign in** and **sign out** their child/ren on the group attendance list, held by Age Manager. If you need to leave early please notify the age manager and sign out your child/ren.
- Parents/carers are required to stay near the group at all times and are encouraged to assist when required. Parents/carers are responsible for taking their own child to the toilet.
- Children participate in Nippers for their enjoyment and development. Encourage children to participate, do not force them. Focus on the child's efforts and set realistic goals.
- Encourage children to always play by the rules.
- Show appreciation for our Age Managers, Water Safety Personnel, First Aid Team and Committee members who are all volunteers. Without them, your child could not participate in Nippers.
- Volunteer your services and talents to assist the club when possible.
- Treat all participants as you would like to be treated.
- Be a good sport. Applaud all good performances and effort.
- Respect the equipment that is provided.
- HAVE FUN!!
